3D PRINTZY

History

3d printzy is a pioneer innovative studio providing 3d solutions for people who need items which is not available in stores. creating and generating multiple designs and format for your 3d needs

Proposed Plan

we would provide and focus in well visited shopping areas. the target area would have reasonable price considering competition would be less than 5 in the metro

Proposed Organization Structure

Materials and Resources - minimal need for materials will be provided 1 vendor. making resources easy access and easy to request. prime quality will be inspected and used.

manpower and labor - ideally our store would need 2 essential position which an accountant and print engineer. other details would be in consideration of environment and day to day operations

Program delivery

printing process - request and process would be done on the spot inside the store. printing would be done as soon as demand would be lower.

customer communications - our primary communications would be on site but phone communications would be optional.

marketing strategy

initial printed models would depict famous food and model, actors, cartoon characters, historical landmarks and novely items
